FACIAL SERVICES

Skin Analysis

\$40

The Analysis Machine offers personalized skin insights for tailored facials, using advanced multi-dimensional analysis to target your unique needs.

Express Medical Facial

\$75

Micha's Express Medical Facial treatment is perfectly tailored to each client's specific skincare needs, leaving your skin glowing and fresh without taking too much time out of your day.

Includes:

- Skin cleanse
- Tone to balance pH levels
- Steam and exfoliation
- Extractions
- Moisturizer

Luxury Medical Facial

\$130

Micha's Luxury Medical Facial provides calm and relaxation for both mind and skin, leaving you feeling refreshed and radiant.

Includes:

- Full skin analysis by the esthetician
- Cleanse
- Tone to balance pH levels
- Steam and exfoliation
- Extractions
- Relaxing facial massage
- Hydrating mask
- Blend of serums
- Moisturizer

Acne Treatment Facial

\$130

Micha's Acne Treatment Facial reduces acne and bacteria buildup, improves oily appearance, and enhances overall skin texture and tone.

Includes:

- MD professional treatments
- Enzyme retexturing treatment
- Refining clay mask

Oncology Facial

\$120

Cancer treatments can make skin hypersensitive and extra dry. Micha's Oncology Facial offers calming, restorative skincare that helps hydrate and strengthen the skin.

Includes:

- Cleanse
- Soothing mask
- Hydrating treatment
- Gentle facial massage

SKIN SERVICES

JetPeel Dermal Infusion Facial

\$195

JetPeel is a needle-free treatment that uses pressurized air to deliver active ingredients deep into the skin, improving texture, unclogging pores, reducing fine lines, boosting hydration, and rejuvenating the skin.

Your skin will feel restored, smoother, tighter, hydrated, and exhibit a lighter, healthy glow.

Oxygeneo 3-in-1 Super facial

\$165

Oxygeneo exfoliates to remove dead skin, unclog pores, and smooth texture while oxygenating and infusing nutrients for a healthier glow. Reveal tighter, hydrated, and radiant skin with a revitalized, youthful complexion.

OxyGeneo 5-in-1 Super Facial

\$245

Includes RF TriPollar Eye Treatment

This non-invasive radiofrequency technology helps firm skin, stimulate fibroblasts, and promote collagen production. TriPollar improves skin cell regeneration, reducing fine lines. The treatment includes the OxyGeneo 3-in-1.

Exosome Balm Infusion Therapy can be added to most skin services.

Chemical Peel

\$165

Chemical peels use treatment solutions to deeply exfoliate and resurface the skin, improving texture, reducing fine lines, even skin tone, and minimizing pore size.

Microneedling

\$415

Transform your skin with a treatment that boosts collagen to smooth acne scars, reduce fine lines, diminish stretch marks, and refine texture for a healthier, more youthful glow.

Liquid Microneedling

\$415

Professional aesthetic treatment using high-concentration ALTUM Peptide and RaphiTox bio microneedles.

HYDRAFACIALS

HydraFacial is a powerful, non-invasive treatment that cleanses, exfoliates, extracts, hydrates, and protects with antioxidants, removing impurities and delivering moisturizing serums for refreshed, radiant skin.

Signature HydraFacial

\$189

Achieve a radiant glow with our Signature HydraFacial. This treatment deeply cleanses, exfoliates, and hydrates, leaving your skin refreshed and rejuvenated. Perfect for all skin types, it's the ideal reset for a healthier, more vibrant complexion.

Deluxe HydraFacial

\$215

Includes LED light therapy.

Achieve a radiant glow with our Signature HydraFacial. This treatment deeply cleanses, exfoliates, and hydrates, leaving your skin refreshed and rejuvenated. Perfect for all skin types, it's the ideal reset for a healthier, more vibrant complexion.

Microdermabrasion and HydraFacial

\$195

Experience the ultimate skin refinement with our Microdermabrasion and HydraFacial combo. This powerful duo combines deep exfoliation with hydration to minimize pores, even skin texture, and reveal a flawless, radiant complexion.

Platinum HydraFacial

\$260

Includes lymphatic drainage and LED light therapy.

Indulge in our most luxurious treatment, the Platinum HydraFacial. Featuring lymphatic drainage to reduce puffiness and detoxify, plus LED light therapy to enhance results, this elite treatment delivers unparalleled rejuvenation for your most radiant, youthful skin.

MORPHEUS8 BY INMODE

The Morpheus8 is a fractional skin treatment that stimulates collagen production in the deeper layers of the dermis. By targeting these underlying layers, tissues on the face and body can be remodelled, revealing a more radiant, youthful appearance. Morpheus8 can be used on areas that benefit from resurfacing and subdermal renewal, including the face, abdomen, thighs, legs, and buttocks.

LED Light Therapy

\$45 per treatment, 8 Treatments for \$275

Micha's LED Light Therapy helps increase circulation, reduce redness, improve acne healing, and leave the skin looking younger overall.

**Can also be added to most facials and some skin treatments.*

Electrolysis

15 mins | \$35 30 mins | \$65

This treatment uses modulated currents to deliver energy to the follicle for permanent hair removal. It is safe for all skin types, hair types, and skin colours and can be applied to all areas of the body.

Electrocoagulation (Vasculyse)

15 mins | \$70 30 mins | \$115

The Vasculyse is used to remove imperfections such as:

- Ruby dots
- Keratosis
- Broken capillaries
- Milia
- Skin tags
- Cholesterol deposits

LASER TREATMENTS

Photo Facial – IPL (Intense Pulsed Light)

This treatment rejuvenates your skin by addressing photodamage, wrinkles, sunspots, age spots, and vascular concerns while restoring collagen and elastin for a youthful, radiant look.

Full Face	\$230
Neck	\$105
Full Face & Neck	\$325
Chest	\$258
Neck & Chest	\$300
Nose & Cheeks	\$143
Hands	\$115
IPL Spot Treatments (up to 4 spots)	\$70

Tempsure Envi and Flexsure Tightening

TempSure Envi and FlexSure use radiofrequency waves to heat tissues and stimulate new collagen production, resulting in skin tightening and lifting. These non-surgical treatments are suitable for both the face and body. Treatment areas include:

- Eyes
- Forehead
- Arms
- Abdomen
- Full Face
- Neck
- Chest
- Buttocks
- Eyelid Lift
- Brow Lift
- Thighs-inner / front and back
- Above Knees

We are happy to provide personalized advice, pricing, and exceptional care based on your individual needs.

Sculpsure Fat Reduction

SculpSure is a laser treatment designed to reduce stubborn fat and improve body contouring. While results develop over 3–4 months, noticeable fat reduction is achieved with 2–3 sessions.

Target areas include:

- Face-under chin
- Bra back
- Banana roll
- Love Handles
- Knees
- Arms
- Abdomen
- Inner Thighs

Skin Resurfacing (YAG Fractional Laser)

YAG laser treatments rejuvenate your skin by stimulating collagen production, reducing fine lines, wrinkles, acne scars, and discoloration. This advanced treatment removes damaged tissue for a smoother, more radiant complexion.
